Overview

Giganet Networking Solutions provides a comprehensive range of cabinets and enclosures that can be used in computer and telecommunication technology industry. Giganet products include the two-part wall mount cabinets as well as the Network Standard wall mount cabinets. This Wall Mounted Cabinet are an ideal solution when installation space is a premium. The steel framework provides sufficient durability for environments such as risers or shafts. The design allows maximum access to the internal equipment through the top and base entrances. The wall mounting frame can also be a cost effective solution for smaller networks and workgroups where a cabinet is not required.

PRODUCT INFORMATION

Features

- 19" Mounting Angles
- Front Glass Door with Lock.
- Door can be mounted to be opening from either side
- Cable entry from top to bottom

Specifications

Make: Giganet
Type : Wall Mount Enclosure
Dimensions Type: 19 Inch Standard
Size:12U
Width: 600mm
Height: 600mm
Depth: 150mm
Gross Weight: 16KG Including Packaging
Net Weight: 14KG

Technical Specifications

- All Steel construction
- Frame Mode of 1.2 mm thick SPCC
- Fixed shelves made of 1.2 mm thick SPCC (Optional)
- Mounting angles mode of 1.0 mm thick steel
- Powder Coated Grey finish
- Strong structure of individually fabricated components
- Manufactured using CNC machine only
- Surface Finish: Epoxy Powder Coated RAL 9010 RAL 7035

Note: Fixed Shelves will be provided based on requirements.
